Online Safety Seminar

Sunday, December 3rd, 2-4pm

As our world is rapidly changing in the digital realm, it can be overwhelming for our children and as parents to help our children navigate the internet. This presentation will have two sessions, the first session will be for 6th grade and older. Special Agent Oliver will give real life scenarios that he has encountered in his career through a biblical worldview. This presentation is to help preteens/teens to think about what they are posting and looking at online. This will consist of age appropriate material in this presentation, so younger children will need to stay home or be in childcare at the church. The second part of this presentation will be for ADULTS only. There will be a time for questions at the end of this session.

Childcare and pizza will be provided, so please RSVP with how many people will be attending, using the QR code below.

Let's Restock the Pantry!

TODAY we will be flooding the stage area of the auditorium with items to fill our Pantry with everything we will need to support and supplement the needs of our community day-to-day and going into the holiday season.

Thank you for supporting this effort to combat food insecurity in our community.

Communion & Giving

Last Sunday we made the switch from passing the communion elements in baskets. Please pick these up as you enter the Auditorium in preparation for Worship.

Similarly, we will not be passing a plate for the collection of the offering. There will be multiple boxes to leave your offering in the lobby, as well. If you are interested in online giving use the QR Code below.

If you would like to discuss a direct ACH from a personal bank account, contact Amy in the office.
