Let's Restock the Pantry

One can't pour from an empty cup. After the huge restock we did before the holidays the shelves are once again looking bare.

This is a good thing! Since that large restock 75 bags of food went out into our community. Thank you for supporting our neighbors in their time of need.

For the next few weeks we will be asking for specific items and then in February we will do another large restock to prepare us for the coming months.
