FLC Roof Maintenance Project:

Volunteers are needed on **Saturday, April 27** to help apply a coating to entire FLC roof surface. This will help lengthen roof life and delay costly replacement. We are asking for up to 24 volunteers to help with the effort. Volunteers should be comfortable climbing a secured ladder but otherwise no skill required as the material will be applied with paint rollers and plenty of expertise will be there to assist and guide. Old clothes/shoes recommended. We are setup to potentially complete the project in one day. We will work in two shifts: **morning (8am-12pm)** and **afternoon (12-4pm)** Feel free to work both! 12 volunteers are needed for each shift. Food and drink will be provided for all volunteers. Sign-up at Connections Desk.

Want to Help with VBS?

Kitchen Volunteers Needed:

We will need people to help with cooking & serving the meal and for clean up after. Don't like to cook, but don't mind washing dishes? We have a place for you, too!

If you can help all four days, great! Only have two days free, but still want to be involved? That's great, too!

You can sign up in the area that suits you best for as few or as many days as you are available. Sign-up at the Connections Desk. Contact Amy Brown if you have any questions.
