## One Word 2025

Last week our ministers introduced the unique learning opportunity we have planned for 2025. Each week we will study one particular word, what it means, how it is used across the story of God's Word, and how we can approach it in our lives. Notebooks are available to keep weekly notes on each of these words. All adults and teens are welcome to a notebook, and parents can decide if that would be a useful tool for their child. We will still have a weekly Children's Worship Bulletin and Note Sheet to guide our younger, active listeners.

If you did not get a Notebook last week, some are available at the Connections Desk.
